GROUP TEMPLATE assessment schema

Marks for the submission will depend on the following:
- Quality of abstract.
- Quality of questions.
- Quality of "choice of" answers (the decision the students are making for answer (or text) selection from the chapter).
- Quality of comments.
- _Filling in at least some items_ in the domain model section. Note that the _content_ of this section will not to be graded because these are emerging elements during the term. The synthesized domain model will be graded as a separate assignment.
- Properly filling out the template.

Levels of attainment:
Each summary template will be graded on the level of attainment.
Definitions of marks (letter grade and %) for the various categories:

A+	95	One could scarcely expect better from a student at this level
A	85	Superior work which is clearly *way* above average
A-	80	Very Good work, meeting all requirements, and above average
B	75	Good work, meeting all requirements, and eminently satisfactory
C	65	Competent work, meeting requirements
D	55	Fair work, minimally acceptable
F	< or = 50	Fail
